Please state your complaint briefly. Number each of the paragraphs. Please include time period and dollar amounts involved with your complaint. Use an extra sheet of paper if needed. I am disputing an erroneous \$300.00 outstanding balance due on my account which has led to a disconnect of service. I made this payment March 2002, yet it was never credited to my account. This circumstance began on March 7, 2002 when I spoke with Ms. K. Stokely (several) of Peoples Energy about the status of my account, since we had spoke months prior when I had previously inquired and dispute inaccurate billing that was attributed to my usage. Ms. Stokely and I spoke at length (over an hour) going over the numbers and figures, as I pointed out errors changes and over-estimation mistakes that were used to formulate my bill. As much as \$5-41% higher than usual by my calculation. As we continued to labor through comparisons and figures (\$501.00 was mine) it became quite involved and Ms. Stokely stated that she would have to take a break, recalculate and clean up the adjustments to make sense of it all and issue a revised account status and that I should submit a payment to get my account back to active standing. (Conrad on sheet of paper) Please clearly state what you want the Commission to do in this case: \$300.00 payment credited without payment due and that my service be restored and reconnection charges, late fee charges refunded or deducted (\$29.76 to date and or security deposit and reconnection charges, late fee charges refunded or deducted (\$29.76 to date and counting) and that all future bills be based upon actual not estimated usage and readings.

Continued from Page 2

- ③ Ms. Staley contacted me later the same day to summarize and confirm her revised figure which she stated to be \$516⁰⁰ and she also reiterated that I should therefore submit a payment to get my account back to Active standing.
- ④ I did make a payment, \$200⁰⁰ that was confirmed received March 11, 2002, however it was not credited to my account, which causes the discrepancy of an outstanding balance due of \$200⁰⁰. All my efforts and call backs to Ms. Staley and Peoples Energy to resolve this oversight has been to no avail and my account is left with the erroneous \$200⁰⁰ balance due.
